

Eligible Project Categories

Eligible Projects include investments in Community Infrastructure for its construction, renewal or material enhancement in each of the following categories:

1. **Local roads and bridges** — roads, bridges and active transportation infrastructure (active transportation refers to investments that support active methods of travel. This can include: cycling lanes and paths, sidewalks, hiking and walking trails).
2. **Highways**: highway infrastructure.
3. **Short-sea shipping** — infrastructure related to the movement of cargo and passengers around the coast and on inland waterways, without directly crossing an ocean.
4. **Short-line rail** — railway related infrastructure for carriage of passengers or freight.
5. **Regional and local airports** — airport-related infrastructure (excludes the National Airport System).
6. **Broadband connectivity** — infrastructure that provides internet access to residents, businesses, and/or institutions in Canadian communities.
7. **Public transit** — infrastructure that supports a shared passenger transport system which is available for public use.
8. **Drinking water** — infrastructure that supports drinking water conservation, collection, treatment and distribution systems.
9. **Wastewater** — infrastructure that supports wastewater and storm water collection, treatment and management systems.
10. **Solid waste** — infrastructure that supports solid waste management systems including the collection, diversion and disposal of recyclables, compostable materials and garbage.
11. **Community energy systems** — infrastructure that generates or increases the efficient usage of energy.
12. **Brownfield Redevelopment** — remediation or decontamination and redevelopment of a brownfield site within municipal boundaries, where the redevelopment includes:
 - the construction of public infrastructure as identified in the context of any other category under the GTF, and/or;
 - the construction of municipal use public parks and publicly-owned social housing.
13. **Sport Infrastructure** — amateur sport infrastructure (excludes facilities, including arenas, which would be used as the home of professional sports teams or major junior hockey teams (e.g. Junior A)).
14. **Recreational Infrastructure** — recreational facilities or networks.
15. **Cultural Infrastructure** — infrastructure that supports arts, humanities, and heritage.
16. **Tourism Infrastructure** — infrastructure that attract travelers for recreation, leisure, business or other purposes.
17. **Disaster mitigation** — infrastructure that reduces or eliminates long-term impacts and risks associated with natural disasters.

18. **Capacity building** — includes investments related to strengthening the ability of Local Governments to develop long-term planning practices.

Note: Investments in health infrastructure (hospitals, convalescent and senior centres) are not eligible.
